DETAILED ACTION

Response to Arguments

1. Applicant's arguments filed 3/24/05 have been fully considered and are deemed persuasive. Applicant has rewritten into independent claim language dependent claims containing material previously indicated as allowable. Thus, the examiner feels that the application is now in condition for allowance.

Allowable Subject Matter

2. Claims 6, 9, 14, 17, 23-27, 29, 31, 32, and 34 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding the claims, the examiner is in agreement with the applicant with reference to the reasons for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
